## EXPLORING DARK SHORT FICTION #2: A PRIMER TO KAARON WARREN

**Los Angeles, CA, May 25, 2018**—Australian author Kaaron Warren is widely recognized as one of the leading writers today of speculative and dark short fiction. She's published four novels, multiple novellas, and well over one hundred heart-rending tales of horror, science fiction, and beautiful fantasy, and is the first author ever to simultaneously win all three of Australia's top speculative fiction writing awards (Ditmar, Shadows, and Aurealis awards for *The Grief Hole*).

Dark Moon Books and editor Eric J. Guignard bring you this introduction to her work, the second in a series of primers exploring modern masters of literary dark short fiction. Herein is a chance to discover—or learn more of—the distinct voice of Kaaron Warren, as beautifully illustrated by artist Michelle Prebich.

This is the second Primer in a series. Included within each book are:

- Six short stories, one written exclusively for this publication
- Academic commentary by Michael Arnzen, PhD (former humanities chair and professor of the year, Seton Hill University)
- Author interview, bibliography, biography, and more!

Titles in this series line includes: *Vol. I: Steve Rasnic Tem*; *Vol. II: Kaaron Warren*; *Vol. III: Nisi Shawl*; *Vol. IV: Jeffrey Ford*; *Vol. V: Han Song*; *Vol. VI: Ramsey Campbell*.
